A. I can write sentences at my own discretion	✖	◯	◯
B. You can write specification, instruction etc	✖	✖	✖
C. You can write simple sentences	✖	✖	✖
D. If you have a simple you can write	✖	✖	✖
E. I can hardly write compositions	✖	✖	✖

Training Summary

Certificate	Institute	Duration
BACS Programming Camp-2017	Khulna University	2017-10-10 To 2017-10-14
Skill Development:Android Programming, ICT Division	Mawlana Bhashani Science and Technology University	2018-06-01 To 2019-06-01

Programming Contest Partcipation

Title of the Contest	Year of Participation	Achievement from the contest
IUB IEEE Programming contest-2019	2019	8th
NDUB CSE FEST IUPC–2017	2017	6th
SUB IUPC-2017	2017	52th
SUST IUPC-2017	2017	81th
IUT FEST-2016	2016	65th
BUET CSE FEST-2016	2016	65th
MBSTU CSE CARNIVAL-2017	2017	64th
Cybernauts-2017	2017	68th
Cybernauts-2016	2016	94th

Projects Done In University

Title of the Project	Role in the Project	Achievement of the project
IOT based Smart office	Lead Developer	An IOT based complete smart office management with fingerprint security (Java web, Spring, JPA, HTML, CSS h2db, Java SDK, RFID, fingerprint scanner, Wifi- 8266, Arduino
Online Assignment Submission System	Programmer	An online based file submission system (Java web, Spring, JPA, Ajax, JavaScript)
Bank Management System	Lead Programmer	An online based bank management (Java web, HTML, CSS)
Student information System	Lead Programmer	A complete desktop-based application for students of MBSTU (JavaFx, Oracle database, CRUD operatio)
Multi user Group chat	Lead Programmer	A desktop-based chatbot(Socket, AWT, Raw java)

Technical Skills

Area of Experience	Name of Subject	Duration
Programming Language	C/C++	3 Year 0 months
Programming Language	Java	3 Year 0 months
Programming Language	Python	3 Year 0 months
Database	Mysql	2 Year 0 months
Programming Language for AI	Lisp	1 Year 0 months

Framework	MVC	1 Year 0 months
Operating System	Linux and Variants	2 Year 0 months
Operating System	Windows	4 Year 0 months
Web Programming	PHP	2 Year 0 months

Cover Letter

I always try to be an honest man and maintain my responsibility and looking forward to building a challenging career in the software development industry by utilizing my expertise and knowledge, problem-solving and academic studies. I also want to grow professionally and enhance my leadership abilities in the process. **About me: In a few words, I am- ACM problem solver, love of good literature and like to travel, eager to learn the latest Technologies and plays with them., passionate about my work. Have coding ability in C, C++, JAVA. My Website: https://acmcoder.blogspot.com https://zzamanasad1.wixsite.com/portfolio GitHub profile: https://github.com/asad14053 StackOverflow profile: http://stackoverflow.com/users/5468257/asad-it Always try to do a good thing for our country.
